

“Bluebird’s Perch” correction -

I was made aware that these 2 diagrams in Bluebird’s perch are off. The first is on page 5 and the left background should be $1\frac{1}{2}'' \times 3\frac{1}{2}''$. The second is on page 6 and the 2 backgrounds need to be switched so the $3\frac{1}{2}'' \times 5\frac{1}{2}''$ should be on the right and the $3\frac{1}{2}'' \times 7\frac{1}{2}''$ should be on the left. Here are the corrected diagrams.
